

Medulla Update - 5.4.x to 5.5.x

Medulla / 5.4.x / Updating Medulla to 5.5.x / Medulla Maintenance

To update from version 5.4.x to 5.5.x and higher, please follow the steps below:

Download the file to the Medulla server:

```
curl https://dl.medulla-tech.io/up/update_medulla.sh
```

Grant execution permissions to the script:

```
chmod +x update_medulla.sh
```

Run the update:

```
./update_medulla.sh
```

Once the procedure is complete, return to the Medulla interface.

All commands must be run as root or with an account that has administrator privileges.
