

How to log in to Medulla

After subscribing to our SaaS offering, you should have received a link to access our platform.

Simply enter your email address there to receive a "*Magic Link*" that will allow you to log in to your account.

The screenshot displays the Medulla login page. At the top center is the Medulla logo, which consists of a green brain-like icon followed by the word "medulla" in a blue, lowercase, sans-serif font. Below the logo is a white rounded rectangle containing the login form. The form has two sections: "LANGUAGE" and "LOGIN". Under "LANGUAGE", there is a dropdown menu with "Français" selected and a small downward arrow on the right. Under "LOGIN", there is a text input field with a vertical cursor. Below the input field is a dark grey button with the text "Send Magic Link" in white.

Login Steps

Choose your language

On the login page, select your preferred language from the dropdown menu. The default language is French, but you can change it if necessary.

Enter your username

Before configuring your OIDC, users, and entities, you must log in for the first time using the information provided in the email containing your SaaS contract.

Confirm the login

Click the "Log In" button to access your user dashboard.

For security reasons, avoid saving your password on shared devices.

If you encounter any login issues, contact your organization's technical support
