

# How to log in to Medulla

To access Medulla's features, you must log in with your credentials. This step ensures the security of your data and personalized access.

## Login Steps

A screenshot of the Medulla login interface. At the top, there is a dark blue header with the Medulla logo, which consists of a stylized brain icon made of colorful dots followed by the word "medulla" in white lowercase letters. Below the header, the page is white. There are three main input sections: 1. "LANGUE" (Language) with a dropdown menu currently set to "Français" and a downward arrow. 2. "IDENTIFIANT" (Username) with a light blue rounded rectangular input field containing the text "root". 3. "MOT DE PASSE" (Password) with a light blue rounded rectangular input field containing ten black dots. At the bottom of these sections is a dark blue rounded rectangular button with the white text "Connecter".

**LANGUE**

Français

**IDENTIFIANT**

root

**MOT DE PASSE**

.....

Connecter

### Choose your language

On the login page, select your preferred language from the dropdown menu. The default language is French, but you can change it if necessary.

### Enter your username

Enter the username or email address you provided when creating your account.

### Enter your password

In the Password field, enter your personal password. Make sure it is spelled correctly: uppercase and lowercase letters are distinguished.

## Confirm the login

Click the "Log In" button to access your user account.

For security reasons, avoid saving your password on shared devices.

If you have trouble logging in, contact your organization's technical support
