

Overall statistics

You have key metrics to assess the overall status of your backups.

Access:

Review > Global Statistics

- **Disk space used:** total size of backups across all clients
- **Active / backed-up machines**
- **Successful / Failed Backups**

Implementing a backup strategy is not just about preventing data loss—it's about ensuring business continuity. With the platform, you can:

- Monitor all activities in real time
- View your overall efficiency through statistics
